Thank you to the organizations and families that have contributed towards the  
Annual Awards Day Program at Immaculate Heart of Mary School.

Through their contributions the School has been able to acknowledge and award scholarships to:

- students that have been academically successful,
- students that have been actively involved in school activities.

You never know when someone is watching and learning ....

*'Everyone is my teacher. Some I seek. Some I attract.*

*Often I learn simply by observing others.*

*Some may be completely unaware that I'm learning from them.'*
