

Did You Know...

IHMS Supports Families

- IHMS provides tuition discounts for additional children enrolled in grades 1 to 8, including reduced tuition for a second child and free tuition for third and subsequent children. IHMS wants to support and reduce barriers for larger families who might choose Ukrainian Catholic education.
- IHMS provides affordable before and after school programs and full-time kindergarten program to support working parents and their families.
- Through the generous support of donors past and present, IHMS maintains a Bursary Program that supports families in need.
- To improve the student experience, IHMS has continued to make investments in our current school facilities with significant upgrades to our playground, gymnasium, fencing, carpet and blind upgrades, new roofing, classroom technology, and music facilities.

AS AN INDEPENDENT SCHOOL, IHMS RECEIVES FUNDING FROM THE PROVINCIAL GOVERNMENT THAT IS EQUAL TO APPROXIMATELY 50% OF THE STUDENT FUNDING PROVIDED TO PUBLIC SCHOOLS. THE BALANCE OF REVENUE FOR INDEPENDENT SCHOOLS, LIKE IHMS, COMES FROM TUITION, FUNDRAISING, AND DONATIONS.

We Need Your Help

To help maintain affordable tuition and to support families at IHMS, we are asking you to do two things:

1 Make a Donation to the IHMS Bursary Fund

Donations will be used to provide Bursary support to families in need. A tax receipt for the full amount of the donation will be provided to you. A place to make this donation is included on the 2022-2023 Enrolment and Registration Form.

2 Invite New Families to Join Us at IHMS

Please invite friends and family to visit and join us at IHMS. We value small class sizes, but we do have room in most classes for 3-5 additional students. Families can contact Mr. Picklyk directly at (204) 582-5698 to arrange an after-hours school tour.
