Volunteer Recognition Program / Fundraising

Each family will be required to contribute ten (10) volunteer hours during the school year, of which a minimum amount of hours (to be determined), will be allocated towards major fundraising activities. All volunteer hours will be recognized and may be contributed by either parent/guardian or other family members (18 years and older). As part of the school registration process, every family must provide one postdated cheque in the amount of \$400.00 (dated June 15, 2024). The postdated cheque is due in the School Office by September 15, 2023. Families may choose at the beginning of the school year to opt out of volunteering by paying \$400. In this case, a payment of \$400 must be made before September 15, 2023. Families opting out of the volunteering are still expected to sell/purchase tickets for fundraising.
