DRESS WARM

Students are expected to go outside during the recess breaks, as well as gym class, and should be dressed appropriately for winter conditions. The lunch hour is the longest recess and the students will spend approximately 30 minutes outside. In winter, when the windchill factor is -27 degrees Celsius or colder, students stay inside.

- Cover all parts of the body: warm toque, water proof winter boots, waterproof gloves or mittens, face covering such as scarves or neck tubes.
- Dress in layers and stay dry!
- Footwear: wet feet become cold quickly. Keep your feet dry by wearing appropriate winter boots.
- Wear a hat at all times ... 70% of heat loss is through your head. Ear bands are not a substitute for hats.

BASKETBALL ACTION

IHMS has four basketball teams taking to the court this year in interscholastic competition! The schedules (practices and games) are posted on the school website, as well as you can subscribe to the calendars for the most up to date information. [Click here](#) for more information. Come cheer on the Spirit at any of the home games!! IHMS is looking for someone to assist with coaching the Girls Developmental Basketball team. Please contact Mr. Dedio (Physical Education Teacher) for more info: kdedio@ihms.mb.ca or 204-582-5698.

SCHOOL FUNDING... DID YOU KNOW?

The Government of Manitoba provides to public schools a grant for each child enrolled in a school. Catholic Schools receive approximately half of this amount. This grant money is intended for instructional services and does not apply to capital costs such as building maintenance, renovations and supplies. IHMS provides the beautiful facility, and the excellent programs it does, based on the following sources of revenue: * Government Grant *Fund Raising and Donations *Registration Fees and Tuition Fees
