### STUDENTS' SPIRITUAL DEVELOPMENT

As we near the end of the school year we look back on the very important spiritual development opportunities the students have been able to experience at Immaculate Heart of Mary School, to deepen their relationship with God.

- Divine Liturgy was celebrated every month where the students have the opportunity to receive the Holy Eucharist.
- At special times during the liturgical calendar, prayer services were organized to teach the children about Pylypvka, Lent, Blessing Holy Water, Stations of the Cross, and Palm Sunday Pussy Willows.
- Feast Days on the liturgical calendar were acknowledged, and the corresponding icon was displayed in the front foyer as a focal point for the students and the rest of the school community.
- In addition, there are the religious education lessons in the classroom taught by the teachers. Immaculate Heart of Mary School strives to be a place where the everyday lessons of academic life are consistently taught within the context of the message of God's love for us, and our expression of that love by our actions in the world. Immaculate Heart assists parents/guardians in their important role as the primary teachers of their children's faith.

Thank you to all IHMS families for their partnership between home, school and church in teaching the Gospel message and enliven our students to have a personal relationship with Jesus, who is their role model, and hope and companion for life!
