**STUDENTS' SPIRITUAL DEVELOPMENT**

As the school year comes to a close, we reflect on the significant spiritual development opportunities that students have experienced at Immaculate Heart of Mary School, which have deepened their relationship with God.

- Divine Liturgy was celebrated every month, providing students with the opportunity to receive the Holy Eucharist.
- At special times during the liturgical calendar, prayer services were organized to teach the children about Pylypivka, Lent, Blessing Holy Water, Stations of the Cross, Palm Sunday Pussy Willows and Praying the Rosary,
- Feast Days on the liturgical calendar were acknowledged, and the corresponding icon was displayed in the front foyer as a focal point for the students and the rest of the school community.
- Additionally, religious education lessons are taught in the classroom by the teachers. Immaculate Heart of Mary School strives to be a place where the everyday lessons of academic life are consistently taught within the context of the message of God's love for us, and our expression of that love by our actions in the world. Immaculate Heart assists parents/guardians in their important role as the primary teachers of their children's faith.

Thank you to all IHMS families for their partnership between home, school and church in teaching the Gospel message and enlivening our students to have a personal relationship with Jesus, who is their role model, hope and companion for life!
